

FOOD SAFETY POLICY

We proud members of Avenrich Tea Pvt. Ltd. are fully committed to ensure the safety of tea and herb drinkers by proper identification, elimination and effective control of all potential biological, chemical and physical hazards applicable to tea and herbs, while complying with all applicable statutory, regulatory requirements.

Our efforts are based on a continually improving FSSC 22000 Food Safety Management system.

Our success is solely based on a teamwork of a group of well trained, disciplined, and satisfied employees and a group of reliable and satisfied suppliers.

This policy is very well communicated to all relevant internal and external parties.
